

Hugh Coltman Lyrics

« I want you back »

Walking down my street
Minding my own business like I do

Just in front of me
Saw someone that made me think of you

It's been five long years
Since you left me and my roving eye

Running' round at night
I'm so sorry that I made you cry

Well I want you back
Any mountain I'll climb to
Turn water to wine to
Get you by my side
Well I want you back
Y'know I'll walk upon water
Do all that I ought to
Get you by my side

Well I write you now
Just to try to explain to you

I hope it's alright
For me to write these words to you

I was younger then
And I didn't treat you like I should

I've got to let you know
If I could turn back time I would

Well I want you back
Any mountain I'll climb to
Turn water to wine to
Get you by my side
Well I want you back
Y'know I'll walk upon water
Do all that I ought to
Get you by my side
